GAS JOURNAL

Index to Vol. 325

January 5 March 30, 1966

The General Index for January to March is followed by an extended Classified Index under the following subject headings.

Area Boards	ii	Personal	iii
Authors	iii	Obituary	iii
Book Reviews	iii	Technical Developments ..	iii
Editorial Comment ..	iii	Trade Notes	iii
Gas Council	iii	Technical Publications ..	iii

Walter King Ltd.

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Abstracts from recent British patents, 210, 304, 326
Advertising by fuel industries resumed, 211, 233
Algerian gas for Spain, 234
Algerian pipeline, 56
Algeria's third pipeline opened, 329
Aluminium roofing for gasworks, 255
Ambergate planning permission sought, 188
Australian gas search helped by U.S. capital, 236
Australian off-shore gas, 190, 260, 310

B

Battersea triumphs in kitchen contest, 13
Birmingham's new training office, 123
British Standards—
  Footprint-type wrenches, 191
  Proximate analysis of coal, 153
  Size analysis of coal, 232
  Thermal Properties, 153
Burmah uses Scarborough as drilling land base, 13
Buyers' Guide to Plastics Pipework, 70

C

Canvey Island methane terminal, 50
Canvey storage plan, 233
Cape Province oil strike, 329
Capital expenditure approved, 188
Car output falls, 262
Cast iron valves, 62
Catalytic reforming, 115
Chemical Engineering Contractors Association, 124
Circulators find favour at Crewe, 234
Clean Air International Congress, 308
Coal analysis, 38
'Coffee pot's' last journey, 263
Congrès du gaz, Deauville, 9, 120, 175
Conveyor belting, 122
Cowley, high pressure gas storage, 13
Czechs seek Algerian gas, 236

D

Darlington Civic centre to have gas heating, 261
Decimal currency plan for 1971, 260
Distribution foresight will pay off, 154
Distribution Survey, January-February, 61
Distribution Survey March-April, 293
Dutch companies in offshore search, 234
Douglas (I.O.M.) considers doubling plant capacity, 262
Dramatic advance, 56
Dutch gas: Decision deferred, 211

E

Eastern Board cuts costs with floating blanket, 297
East Midlands computer starts at Nottingham, 188
East Midlands record output, 103
Electrical Conference: stepping up the pressure, 251
Electric storage heater sales, 287
Elephant story, 124
Engineering aspects of lubrication, 103
Engineering Institutions Council reports, 284
Esso orders propane sphere, 188
European journalists at Woodall-Duckham, 308
Experimental free service for needy, 104

F

Finances of fuel industries, 282
Foreman wins suggestion award, 14
Franco-Hungarian co-operation agreed, 125
France will buy Dutch gas for next 20 years, 236
Fuel and power output figures, 189

G

Gas output—
  Record level, 233
  Up 15% in December, 154
General Managers retire, 155
Glover & Main reorganise subsidiary companies, 103

H

Hampshire pipeline project, 283
Holiday record, 56
Honeywell computer for S.E.G.B. at Croydon, 213
Humphreys & Glasgow—
  £5-6 mill. ammonia contract, 124
  Dewsbury contract, 234
Hungary to import gas and cookers from Rumania, 260
Hutchison, Sir Kenneth, elected F.R.S., 310

I

Insurance cheaper with central heating, 262, 284
Investment £150 mill. for 1966-67, 55
Italy will build three gas tankers, 307

L

Leak detector saves time and disturbance, 293
Lignite coal research, 212
Luxury heating for old people, 16

M

Manchester gas lamps replaced, 235
Manufacture of pipe-coating enamels from carburetted water gas tar in Australia, 119
Melbourne natural gas optimism, 14
Metalock repairs to cast iron equipment, 186
Minister of Power—
  Approves expenditure, 188
  Praises North west gas success, 155
  Questioned on new plant, 307

N

National distribution system—an early decision is promised, 102
NCB plans sales offices, 260
NCB price increases, 308
Need for catering facilities grows—good food essential, 104
New company established in a new town, 70
Newton Chambers win contracts for three holders, 213
New type automatic ignition, 14
New Zealand offshore gas search, 190
North Sea gas—
  Amoco secures drilling barge, 211
  BP to drill new well?, 212
  BP to start laying pipeline, 328
  Danes sign exploration pact, 260
  Gales threaten rigs, 328
  Gas Council's choice narrows, 233
  Minister questioned on drilling licences, 307
  'Mr. Louie' leaves Bremerhaven, 306
  Price disputed, 39
  Price to be 5d. per therm, 154
  Rumours of strike denied by Shell, 211
  'Sea Gem' disaster still unsolved, 12
  'Sea Gem' public enquiry, 103
  'Sea Quest' model at Science Museum, 233
  Shell strikes gas, 328
  Special winch for 'Sea Quest', 262
  Supply ship launched, 189
  'Transocean II' leg launched, 190
North Thames beats daily output, 55
North Western Gas Board has year of records, 55
November shows big output increase, 56

O

Oil men may work on ocean floor in 1974, 306
Oil rig distress call, 189
Outer London Main progress, 296

P

Panel reports on gas shortage, 39
Parkinson Cowan 150 years old, 104
Peer urges: 'Integrate merits of electricity and gas', 192
Pensions move, 234
Pipe demand grows, 284
Pipe inspection by television, 70
Pipeline practice codified, 296
Pipelines authorised in North, 235
Plymouth under-water crossing, 61
Power and Steel Group at Watson House, 263
Power-Gas C.R.G. order, 102
Power-Gas win £800,000 contract, 263
Preventing corrosion around welds, 299
Prices Board reports on tariff increases, 13
Prices Board supports NCB £80 mill. increases, 262
Prices Board will probe coal distribution costs, 282
Protecting gasworks and refineries from fire, 253

R

Radiation forms new spares section, 236
Radiation makes offer for Gibbons, 234
Radiation's recommended dividend, 194
Response time, 124
Rhine crossing links Germany to Dutch natural gas supplies, 300
Ropes across the Medway, 70
Russo-Japanese co-operation on gas resources, 188

S

Sellotape pipe wrapping stops corrosion at Coryton, 298
Short papers at Wakefield, 123
Shut-off valve, 311
Simon-Carves awarded contract for gasholder foundation, 12
Simon-Carves hire equipment, 190
Sir Henry outlines efforts to prevent gas failure recurring, 123
Smokeless fuel testing, 235
Southerngas orders plant for Bicester, 55
Southerngas uses new forecasting techniques, 14
Stanton and Staveley iron refining trials, 188
Stoke works, two more Selas reformers, 14
Sugg long service awards, 13
SUI gas: US loan agreement, 309
Sunderland's new £3¼ mill. Civic Centre will be heated by gas, 155
Swedish spiral-welded pipe, 300

T

Television—via E.G.B. gasholder, 123
Timber buildings for helicopter control bases, 124
Tokyo orders more plant, 14

U

Underground storage sites investigated, 191

V

Valor chairman reports 'bitter' result, 308
Valves and fittings, 70

W

Walker, C. and W., Ltd., win orders for three gasholders, 213
W.-D. group administrative changes, 284
Welding courses, 309
Western Europe gas search continues, 284
West Midlands Gas Board has more trouble, 56
West's £2 mill. orders, 287
Whessoe's local board for London, 235
'Working with words', 307

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Floating blanket cuts costs, 297
Palace Works closed, 329
Records broken, 191

EAST MIDLANDS

Computer starts works, 188
£8.5 mill. spent on improving distribution, 311
New colours for vans, 189
Planning permission sought for Ambergate, 188
Record output, 103
Stamford Works to close, 328

NORTH EASTERN

Computer installed at Leeds, 235
Dewsbury contract placed, 234
Gasholder moved piece by piece, 188
£1¼ mill. grid, 211 235

NORTH THAMES

All set for oil, 83
Beats daily output, 55
Lord Lindgren tours Bromley gasworks, 189
Romford's new gas-making plant, 329
Storage plan for Canvey, 233

NORTH WESTERN

Demand continues at high level, 235
Housing plan, 234

Minister praises North West gas success, 155
Warrington contract, 213
Year of records, 55

SCOTTISH
Borders lead with central heating, 287
New prices introduced, 306
Record winter, 329
Tariff increase accepted, 282

SOUTH EASTERN
Brighton orders second C.R.G. plant, 328
Honeywell computer for Croydon, 213
New records, more plant, 287
Outer London Main progress, 296

SOUTHERN
Apprentices honoured, 191
Butane sphere ordered, 235
Hampshire pipeline project, 283
£30 mill. expansion scheme, 212
New forecasting techniques, 14
Plant for Bicester, 55
Three-year expansion scheme, 188

SOUTH WESTERN
Liquor concentration plant order, 328
Record demands met, 190
Seabank extension ordered, 328

WALES
Llandarcy reformer furnace ordered, 329

WEST MIDLANDS
Administration changes, 288
Breakdowns inquiry, 211
Chief executive appointed, 260
Extra capacity before next winter, 234
Firms answer questionnaire, 211
Inquiry begins, 310
More trouble—70 firms cut off, more to come?, 55

BOOK REVIEWS

E.E.C. search for resources, by G. F. Eich, 187

EDITORIAL COMMENT

All eyes on Canvey conversion, 249
Analogues for gas networks, 169
Aquifers vitally important, 203
Aquifers without tears, 320
Birds Eye view, 138
Canvey contributes to a new era, 47
Classic misnomer, 203
CO reduction for all gases necessary, 29
Could cheap electricity oust gas?, 137
Counter revolution, 8
Courting controversy, 226
Cross-eyed, 48
Discrimination disguised as equality, 295
Don't let's be beastly to the cooker, 7
From 'Pioneer' to 'Princess', 296
Gas and show kitchen, 114
Gas for fish and chips, 170
Gas for Tokyo, 30
Gibralter out of step, 8
Good P.R. job, A, 278
High Speed Girl, High Speed Gas, 225
Hope for home laundry, 8
Industry as educator, 48
Less equal than others, 48
Life at the Centre, 82
Making a fresh stand, 114
Methane story, 82
Modern Viking invasion, The, 113
More from the Rock, 203
North Thames pioneers the reformer, 81
PEP on fuel policy, 226
Price of coal, The, 250
Scourge of gas-borne dust, The, 319
Specialisation and its hazards, 277
Striking contrast, 320
Support for Fakenham, 8
Thoughts of food, 320
Watchdogs for tenants, 30
Wrought or cast headers?, 138
13th Board supreme?, The, 30

GAS COUNCIL

Careers course, 309
Engineering Research Station to be at Killingworth, 329
Industrialised building exhibition, 307
Sir Henry Jones at Barnsley, 261
Three new departments established, 39

GENERAL INDEX

A

Abstracts from recent British patents, 61
Ambergate: Planning approval is granted, 90
Associated Electrical Industries—E.M.I. merger, 326
Australia—
BHP interest in gasfield, 358
Big gas find soon, 136
Fertiliser plant will use natural gas, 303
Moomba test soon, 328
Victoria offshore gas development, 210

B

Belfast orders £1½ mill. plant, 211
Belfastgas Miss Therm cooking competition, 91
Belgian visitors of HEVAC to see gas equipment, 360
British Welding Research Association, annual meeting, 357

C

Calor Gas group expansion plans, 326
Canadian gas equipment seen by UK hoteliers, 304
Conch Methane order two new ships, 326
Canvey Island 'frozen earth' storages to be constructed, 132
CEI'S first statement on education and training, 115
Central heating fight is most bitter fuel battle, 92
Channel Islands engineers see Canvey Methane terminal, 93
Coal output in first quarter declines, 92
Computers and gas distribution symposium, 65
Conch agreement on gas for Europe, 157
Connection charge row unabated, 19
Cork orders oil plant, 379
Cork plant contract, 211

D

Distribution Survey, May-June, 165

E

Eastern Gas Consultative Council move, 381
Electricity connection charges question in Commons, 356
Electricity price structure move, 211
Esso Exploration Norway to start drilling, 380
Esso Kent-Surrey oil/gas search, 328, 357, 369, 376, 377

F

'Frozen earth' storages for Canvey Island, 132, 174

G

Gas Industry Training Board visits East Midlands, 92
Gas output rises by 19%, 426
Gibbons Brothers presentations to retiring directors, 212
Glasgow housing development—gas will play major part, 112

H

Australian branch of H. & G. supplies plant for Hong Kong, 134
Helensburgh gasholder aids TV reception, 136
High costs caused by 'less efficient use of manpower' says Scottish Chairman, 107
Humphreys & Glasgow win orders worth £4¾ mill. from NWGB, 112

I

I.G.E. annual meeting 1966, 257
IGU Council meets again in Spain, 93
Institute of Fuel Melchett Medal goes to Prince Phillip, 133
International Chemical and Petroleum Exhibition, 369
International Pipes, Pipelines and Pumps Exhibition, preview, 32
International Safety Exhibition, 358
Interview with Dr. A. Rees-Jones, 149
IOM gas companies face problems, 67
Iran pipeline from Russian border aided by UK finance, 91
Irish Gas Association AGM, 203
Isle of Wight—mainland link, 188
Israel will intensify oil/gas search, 304
Italian group orders three gas tankers, 38
Italy may buy gas from USSR, 38

K

Killingholme visit by Minister, 356

L

Level in boreholes, 188
Libya gas strike, 326
Linacre, review of works, 406
Londonderry gas still favoured by housewives, 113

M

Methane main developments, 173
Minister of Power to keep close watch on consequences of North Sea gas, 112
Ministry of Power—Mr. R. Marsh appointed new Minister, 36

N

NALGO attacks proposals to curb unions, 303
National house journal competition, at Folkestone, 425
National Industrial Safety Study Conference, 136
NCB chief and central heating, 303
NCB plans to expand smokeless fuel plant at Cardiff, 19
NCB's record winter sales of Sunbrite, 91
New dwellings with gas supply 80% of total, 302
Nigerian liquefied natural gas scheme due soon, 18
Nigerian oil terminal tanks to be supplied by Whessoe, 93
Northampton's new plant to have advanced automation, 17
North Sea—
Big finds by Shell-Esso rig, 36
British steel pipes adequate for natural gas discoveries, 326
Close watch by Minister on all consequences, 112
Even bigger find than Shell-Esso expected?, 132
First natural gas by early 1967, 324
Flow rates highest yet, 324
Fuel review follows gas finds, 303
Gas ready this year?, 64
Gas strikes 'Not threat to coal,' 211
ITV programme 'Shop Talk,' 356
Lord Robens report on proper exploitation and development of natural gas, 209
Minister's assurance to coal miners, 357
Minister's reassurance on need for coal, 302
Minister of Power report on regulations for North Sea drilling rigs, 208
More rigs move into position, 115
'Mr. Louie' starts drilling for Gas Council, 36
North Sea gas to be taken into account this year, 328
'Opportunity and challenge' Dr. Bray, 90
'Orion' is launched, 135
Phillips announce strike—Gas Council next?, 155
Pipelaying study, 91
Shell-Esso begins fourth North Sea well, 134
Sir Henry Jones speech following commission of 'Orion,' 423
Sir Kenneth Hutchison describes prices studies, 427
Supply ship undergoes trials, 39
Total Marine to start drilling, 381
'Transocean No. 2' is commissioned, 378
Undersea link pipes move due, 17
Underwater TV speeds up drilling operations, 135
'Wimbrown Three' is launched, 20, 66
Norway offshore oil search, 302

O

Olympia plastics show, 1967, 426
Ossett smokeless by 1968, 38
Output boosted by cold April, 67
Output up 11%, 17
Output record, 64

P

Pakistan symposium on oil and gas, 424
Parkinson Cowan Measurement—marketing changes, 39
Pay claim by gas workers, 360
Peak-shaving installation has clear economic advantages, 31
Pickering to have new works, 358
Pipes, Pipelines and Pumps Convention, 165
Pipelines expenditure in next five years, 188
Portsmouth-Hook pipeline project, 182
Power-Gas to build £2½ mill. Plymouth gas plant, 112
Power-Gas wins orders worth £12½ mill., 156
Pressure vessel manufacture, 67
Pure water from seawater for North Thames, 65

Q

Queen's Commendation for two Southerngas employees, 91

R

Radiation New World visit, 359

Ramsey Gas Company hit by wage increase, 92
Records for gas, 207
Refractories Test Standard being revised, 209
Rich gas process for £5 mill. plant in Italy, 37
Ridge terminal makes first appearance, 156

S

Safe driving area managers, 208
Sahara gas films meet world-wide demand, 17
Sahara machines will help with Midlands pipes, 18, 177
SBGI members to receive Watson House 'Bulletin,' 67
SBGI Silver Medals for Juniors, 211
Scottish gas prices, 327
Seal of approval for commercial appliances, 37
Selecting thermocouples, 31
Stanton & Staveley have a year's orders on hand, 188
Steel melting market broken into by gas in Sheffield, 135
Stewarts & Lloyds Ltd. discuss production arrangement with South Durham Steel & Iron Co. Ltd., 425
Stewarts & Lloyds Ltd., South Durham Steel Company, 326
Swiss start £4 mill. gas pipeline, 114
Sydney, NSW, may cook with natural gas in three years, 136

T

Thirty-eight plants deliver synthesis gas, 59
Tokyo Gas Company order rich gas plant from Humphreys & Glasgow and Hitachi-Zosen, 424
Tunisia gas strike, 358

U

UK finance will aid Iran gas pipeline from Russian border, 91
USSR may sell gas to Italy, 36

W

George Waller & Son Ltd. orders, 328
Welding Research Association opens conference centre, 360
WGF charity donations, 93
Whessoe research extension nearly ready, 66
Whessoe revises management, 93
Whessoe will supply Nigerian oil terminal storage tanks, 93
Winn & Coales booklet, 188
Women's Gas Federation—Gas Council Chairman hints at organisation changes, 302
Woodall-Duckham, administrative changes, 426
Woodall-Duckham Construction Co. Ltd. will not pay final dividend, 379
Woodall-Duckham hit by squeeze, 156
Woodall-Duckham visited by Gas Council chiefs, 92

Y

Yorkshire oil strike, 207
Yorkshire Juniors visit English Steel Corporation works, 136

CLASSIFIED INDEX

AREA BOARDS

EASTERN

£227,000 pipeline scheme, 90
Record year'r output, 114
Sharnbrook propane scheme, 328
Warehouse talks fail through, 38

EAST MIDLANDS

Advanced automation move for new Northampton plant, 17
Ambergate: Planning approval is granted, 90
First aid competition, 426
Gas Industry Training Board visit, 92
Low accident rate among drivers, 426
'Mutal aid' pipeline link with West Midlands, 90, 177
Production up 7½% in one year, 114
Sixth formers see how gas industry works, 91
Stainforth estate to get gas supply, 115

NORTH EASTERN

Butterfields factory visit, 208
Fixing charges raised after record year, 19
Installation of ICT 1903 computer, 359
£1.3 mill. plant for Bankside, 17
Leaks problem from new drier gas, 210
Leeds Group Ideal Home Exhibition, 425
New homes equipped with gas heating, 359
Parting gift for Dr. R. S. Edwards, 137

NORTH THAMES

Canvey Island distillation unit order, 65
Celebrating 100,000th central heating installation, 324
Channel Islands engineers visit Canvey methane terminal, 93
Consultative Council meets at Watson House, 66
Gasfitting successes honoured, 66

NORTHERN

Rise in prices, 207

NORTH WESTERN

Autothermic butane reformer, 421
Effluent discharge, 211
£4¾ mill. order for ICI plants, 112
Nantwich works closes down, 115
Linacre, plant review, 406
Partington plant ordered, 155
Retirement of Mr. Harry Butters, 68

SOUTHERN

Chairman at Palace investiture, 36
Commercial customers new publication, 68
Consumers supplies interrupted, 65
First aid contest, 360
Mr. Leonard Bean appointed Secretary, 329
New store at Botley, 427
Visit by senior schoolboys, 94

SOUTH EASTERN

Accounts and computer centre in Croydon, 38
Croydon plant ordered, 155
Domestic demand up 60% in five years, 66
First woman district manager on TV, 112
Maximum resale price of gas—Consultative Council concern, 19
Sussex gas demand, new pipeline, 361

SOUTH WESTERN

£2½ mill. plant order for Plymouth, 112

WALES

Another CRG plant for Llandarcy, 90
Stewarts and Lloyds' tubes, 36
Winter demands for gas all met, 136

WEST MIDLANDS

Birmingham, £5 mill. alterations, 209
Central heating for 7s. 6d. a week, 158
Etruria works, electrical contract, 133
Featherstone gas plant site plea rejected, 67
'Mutual aid' pipeline link with East Midlands, 90, 177
Tariff changes, 208
WMGB order ICT computer, 378

SCOTTISH

Aberdeen University development uses gas, 134
Speedway championship sponsored, 64

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Abstracts from recent British Patents, 30, 126, 145, 196, 255, 349
Alaskan gas for Japan, 150
American and Canadian gas industries shocked by gas transfer ban, 256
Association of Public Lighting Engineers hold annual conference, 302
Australia major export market?, 174
Australia recognises new gas field—round Moomba 1, 175
Australian Associated Oilfield Group makes gas strike, 55
Australian Gas Association to hold convention, 258
Australian industry will benefit from new gas-making technique, 304
Australian National Gas Development Association offer to pipe natural gas to Melbourne, Sydney, Adelaide and Brisbane, 289
Australian offshore gas restraints eased, 202

B

Belfast Corporation—gasworks job pact accepted, 303
Belfast gas shows profit of £124,000, 13
Belfast may be asked to supply Newtownards with gas, 54
Birmingham University begins geophysical survey, 179
Bradford to have another smokeless zone, 148
Brazilian gas sales, 179, 257
Brisbane has new town gas plant, 150
British Productivity Council film 'Reliability', 233
British Standards—
  Domestic appliances burning town gas, 203
  Pipe testing, 317
  Revision of B.S. 2035, 317
  Revision of B.S. 2035, 180
British Steel Piling Company announce increase in output of helical-weld pipes, 203
British Valve Manufacturers Association plans two-day conference, 175
Bulk lighting fitting, 193

C

Castleford may change gas policy, 180
Catalogue of International Standards, 203
Central Asian desert, Kara Kum, to have 250-mile pipeline, 203
Cometec-Gaz sets up travel prize as Gummert memorial, 150
Combustion Engineering Association and Works Accountants report of industrial energy meeting ready, 107
Congrès du Gaz, 139, 342, 194, 297
Conch International Methane award contract to Sir Robert McAlpine & Sons for frozen earth gas store, 353
Continental Oil—
  Acquire Consolidated Coal, 288
  Contract for new refinery, 146
Cork Gas Consumers Company declares interim dividend, 203
Council of British Association of Corrosion Engineers plan changes, 178
Cryogenic storage contracts, 148

D

Dail approves order for gas changes, 52
Distribution Survey, September-October, 309
Dublin Consumers' Gas Company interim dividend unchanged, 302
Dungannon Gas Co. Ltd. closed—housewives switch gas supply, 308
Dutch field will produce over 1 mill. cu. ft. daily, 300
  Natural gas exhibition, 257

E

Energy for new towns—plans for joint conference, 259
English Electric develops mobile generating system, 321
European gas network suggested, 34

F

French find new natural gas fire control method, 51
Fuel and power output, 150

G

Gaslamp lit by Captain Eyre Massey Shaw over century ago, 16
Gas on the Continent, 170, 229, 279
Germany—
  Imports, 257
  Pipeline enters service, 352
Giro and gas accounts, 51

H

Hattersley Brothers expansion project, 230
Heat treatment of forgings and heavy plates, 56
Home Oil of Canada—
  Drilling in Yorkshire, 55
  Editorial comment in newspapers, 179
  Lockton gaswell flow, 174
  Optimism about gas yield, 151
Honeywell Controls have big plant expansion plans, 202
Hong Kong gas imports, 52
Humphreys & Glasgow—
  Overseas managers visit UK for talk, 174
  Sign contract for Hong Kong, 174

I

Institute of Public Relations to study central heating, 304
Institution of Mechanical Engineers hold high pressure engineering conference, 150
Insulating joints for cathodically protecting buried pipelines, 311
International Boilers and Radiators Co. Ltd., forecasts growth in central heating, 203
International design congress to be held in October, 148
International pipes, pipelines and pumps convention, 78, 322
Irish Sea—seismic surveys carried out, 203
Italy has new legislation governing offshore exploration, 348

L

Londonderry switch from oil to gas for new plant, 13

M

Majorca given two generators, 153
Markham Main Colliery plant delays, 233
Midlands gas supplies report due soon, 201
Minister of Power—
  Lays down petroleum production regulations, 178
  States boundaries of gas and electricity, 178
Ministry of Power Statistical Digest has new features, 174
Moomba No. 2 has strong gas flow, 54
MP and hire-purchase sales of appliances, 180

N

NALGO annual conference, 9
National Coal Board in new heat venture, 51
Netherlands State Mines turnover, 258
North Sea—
  Amoseas now drilling second well, 56
  Big electricity plans of expansion?, 36
  Burmah Oil group fail to find natural gas, 52
  Call for nationalised natural gas, 34
  Comments on potential effects on business of Coalite and Chemical Products Co. Ltd., 53
  Distribution: An oilman's view, 249
  Esso and Shell 'Transocean II' ready to drill, 231
  Gas Council-Amoco group 'Orion' strike natural gas, 289
  Gas/electricity rivalry, 12
  Holland's rules rejected by oilmen, 230
  'Hugh W. Gordon' barge begins pipelaying, 52
  Minister and North Sea potential, 147
  Minister supplies answers to Parliamentary questions, 38
  Mobil and Continental—joint well off Great Yarmouth, 230
  'Mr. Louie's' crew lifted to safety, 106
  'Orion' is now in position, 181
  Philips Group announces dry well, 201
  Price news soon from Government, 34
  Priorities discussed by Gas Council Deputy Chairman, 151
  Searchers may quit if low price is fixed, 12
  US rigs drill again, 53
  West Germans want more of Continental Shelf, 147
  WMGB Chairman predicts gas for Potteries in two years, 15

O

'Ocean Viking' almost finished, 174

P

Pakistan Minister makes 'reasonable prices' plea, 230
Parkinson Cowan—
  BMC appliances link-up, 201
  Celebrate 150th anniversary, 54
Peer asks about positioning of meters, 231
Peruvian pipeline, 176
Pipeline consortium, 128
Poland—
  New gasworks at Poznan, 175
  Universal enterprise, 289
Potterton—
  Improves 'Diplomatic' relations with Common Market, 287
  Reports marked improvement, 37
Powell Duffryn—
  Report, 257
  Wins three contracts, 14
Power-Gas—
  Obtains order from Tokyo Gas Co., 231
  Signs agreement with Societe L'Air Liquide, 127
Process plant inquiry by working party, 51

Q

Queen's award for new gas process, 174

R

Refrigerator sales up, 259
Resale Prices Act 1964, 230
Richard Thomas & Baldwins—
  Compete in gas pipeline market, 148
  Welded pipe agreement with Germans, 180
Romana Gas has new town gas plant in Rome, 203
Russia—
  Announces pipeline project, 175
  Discovers gas supplies, 353
  Uses more gas, 352

S

Samuel Birkett Co. Ltd., develop new high lift safety valves, 310
Saunders Valve Co. Ltd., report record level during financial year, 53
Scottish demand for homeheating grows, 304
Sheepbridge Co. Ltd. dismantle gasholder, 320
Shell use diving bell for underwater research, 16
Simon Engineering Co. Ltd. keep policy of technical diversification, 14
Smokeless fuel supplies 'adequate', 202
South Africa's largest gas-fired furnace, 257
Southend-on-Sea installation by Ascot and Radiation, 256
Southern Australia—
  Gidgealpa and Moomba gas moves, 201
  Natural gas pipeline, 352
Spanish statistics, 178
Stewarts & Lloyds new high pressure plant, 233

T

Thermodynamics and Fluid Mechanics Group of Institution of Mechanical Engineers seek symposium papers, 256
Trans-Pennine gas line is inaugurated, 147
Transporting naphtha feedstock, 200

U

United Gas Industries Co. Ltd. 'some disappointment', 231
Uruguayan gas problem, 257
US ultrasonic leak detectors, 312
USSR—
  Thermal power station, 258
  Will step up natural gas exploration, 179

V

Venezuela—
  Gas sales up, 258
  Record sales of natural gas, 153
Victoria—
  Goes ahead with natural gas plan, 204
  Will keep corporation, 351

W

Walker, C. & W., improve profits, 52
Waller, George, & Son Ltd.—
  Gain development contract, 153

Win £12,000 orders for gas handling machines, 286
Waterford Gas Co. Ltd. changes from coal to oil, 305
West Australia—
Barrow No. 27 has big gas flow, 258
Search for oil, 148
Test yields gas, 258
West's Group reports steady progress, 179
Western Germany link up between Gascon N.V., and Pintsch Bamag, 231
Whessoe—
Larger offices in the north west, 15
Report record orders, 56
Wilson, George, Gas Meters Ltd., 232
Woodall-Duckham—
Hit by Selective Employment Tax, 55
Visited by Japanese, 353

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Chilterns Regional Service Centre, 176
Contracts awarded to Biggs, Wall & Co. Ltd., 302
Contracts awarded to William Boby & Co., 204
Rural propane scheme reported in E. G. News, 176
St. Albans: a scheme for a CO unit at gasworks, 250

EAST MIDLANDS

Contract for high-pressure pipeline awarded to Powell Duffryn Shand, 258
Employee 'ideas' man nets total of £115, 54
High-pressure pipelines for the winter, 301
Order for £1 mill. gas turbo-generator, 147
Rescue team winners of Chief Distribution Engineers North Regional Rescue Competition, 51

NORTH EASTERN

Award of contract over £1 mill., for Humphreys & Glasgow, 106
Catering Officer gives gas cake to Electricity Board caterer, 37
Central heating boom poses problems for Gas Board, 56
Great Yorkshire Show draws orders for appliances, 147
Holder site plea is refused, 150

NORTHERN

Wins architecture awards, 55

NORTH THAMES

Board honours safe drivers, 15
Buns for elephant Lulu, 178
Canvey conversion is more than half completed, 93
Canvey Island visit, September 14, 352
Contract worth £250,000 for holder, 258
Conversion Division appointments, 302
Divisional changes, 178
First Aid competition won by Beckton team, 175
Minister of Power visits Canvey, 300
New flare stacks at Slough from Mobile Lifting Services Ltd., 14
Order for new holder to meet growth in demand from Samuel Cutler & Sons, 106
Power-Gas Corporation Ltd. design and construct reforming plants at Canvey Island, 202

NORTH WESTERN

Order for storage plant from Capper-Neill, 107
Southport Building Exhibition has gas beacon, 286
Streamlined stores service plan, 201

SCOTTISH

Dundee plan for £900,000 gas plant, 286
Employees give 129¾ pints of blood to Blood Transfusion Service, 53
HQ Building project of £600,000 begins, 232
Inverness gasworks opening, 286
MP asks about petroleum gas for Scotland, 152
Power Minister praises gas industry, 302
Refrigerated storage, 305

SOUTH EASTERN

Award pipeline contract of John Brown Ltd., 151
Careers booklet, 52
Czechs visit East Greenwich plant, Stage II, 13
East Greenwich Stage II, 213
High-pressure pipelines for the winter, 301
Hotwater Conference—natural gas in 3 phases, 305
Order new 2 mill. holder, 146
Order £250,000 waste heat recovery plant from Ashmore, Benson Pease & Company, 106
Supergrid system—plans announced, 350

SOUTHERN

First phase of reforming plant coming on stream, 34
Humphreys and Glasgow Ltd. win contract, 175
Whessoe awarded contract for storage spheres, 288

SOUTH WESTERN

Preparations for natural gas by Board, 258
Supergrid extension, 319

WALES

Assistant Distribution engineer develops new jointing technique, 320
Wins architecture awards, 55

WEST MIDLANDS

Capital development programme of 1964 criticised by Ministry of Power, 350
First Aid Competition victory, 352
New courses for contractors for September, 150
Staff conference reviews natural gas prospects, 300
Supergrid system extended, 309

BOOK REVIEWS

'A compendium of advanced courses in technical colleges,' 33
'British Instruments Directory,' 10

GAS JOURNAL

Index to Vol. 328

October 5-December 21, 1966

The General Index for October to December is followed by an extended Classified Index under the following subject headings. An index for Gas in Industry follows the Classified section.

Area Boards	ii	Junior Gas Associations	iii
Authors	iii	Obituary	iii
Book Reviews	iii	Personal	iii
Correspondence	iii	Technical Developments	iii
Editorial Comment	iii	Trade Notes	iv
Gas Council	iii	Trade Publications	iv
I.G.E.	iii		

GENERAL INDEX

A

Abstracts from recent British patents, 275, 359, 299, 166
Acrow (Engineers) Ltd., 306
Algerian gas prospects, 212
American Gas Association books, 357
Annual Reports published, 39
Annual Review—
  Canvey conversion presents new challenge, 142
  Finance, 120
  I.G.E. reports on a year of progress, 137
  Industrial relations, 131
  Marketing men view future opportunities, 129
  NALGO opposes the 'freeze', 130
  Natural gas prospects dominate industrial scene, 145
  Problems of success, 114
  Production, 122
  Publicity, 116
  Review of technical progress, 124
  Sales, 118
  W.G.F. re-examines its future, 146
Ashmore Benson, Pease & Co. Ltd., 215
Audco Ltd. supplies units for excess pressure prevention, 17
Australia—
  Big natural gas bid for energy market, 306
  Federal Government has no power over gas price, 69
  Gasfields rank with biggest, 39
  Gas share of energy market grows in Victoria, 212
  Natural gas pipeline starts in 1967, 505
  Offshore gas prospects, 215
  Semi-government body to pipeline gas in Victoria, 212
  Victoria gas 'priced out of New South Wales market', 306
Autumn Research Meeting—
  Chairmen's Technical Committee Report, 253
  Gas Education Committee Report, 255
  Joint Refractories Research Committee, 256
  President's Savoy luncheon, 258
  Research scholarships, 256
Australian pipe, private finance urged, 336

B

Belfast—
  Heating by gas, 364
  May be cheaper, 171
  Possible amalgamation with Lisburn works, 305
B.H.D. Engineers Ltd. seek increased capital, 211
British Coking Industry Association winds up, 45
British Standard—
  Measuring ignition temperature of gases, 69
Buildex '66 gas success, 362

C

Canada—
  Natural gas revenue up, 68
  Pipeline plan is approved after revision, 40
  Warning about 'speed discovery rate', 68
Canvey Island contract awarded to Sir Robert McAlpine & Sons Ltd., 335
Cleveland trencher digs on North orbital route, 230
Coal's place in energy requirements, 261
Colombian gas boost, 68
Conch Methane license Nippon Kokan, 284
Congrès du Gaz, 67

D

Design award for gas-heated dwellings, 211
Distribution Survey November-December, 221
Domestic heating symposium, 44
Dowlais Redevelopment Project, 340
Dutch estimate natural gas sales, 191

E

Ecuadorian plant, 212
Eire gasworks to use oil gas, 171
Engineers' Day exhibition, 260

F

Flavel's Chairman and prospects for the future, 264
Floodlights aid safety at gasworks, 283
French firms combine, 336
French gas leak, 18
Fuel Luncheon Club—'Interim report', 273
Fuel policy review, 360

G

'gas-flo' points the way to neater installations 274
Gas industry awarded two British Empire Medals, 189
Gas in Germany, 357
Gas on the Continent, 366, 302
Gas threatens coastline, 204
George Wilson Gas Meters Ltd. plan major expansion, 171

H

Heating the walls of catalytic gas reactors, 210
Hevac form economic product study group, 284
Home Oil—
  Company has land strike No. 2, 167
  Joins l.p.g. project, 211
Humphreys & Glasgow—
  Receives order from Japan, 283
  Signs Czech agreement, 364

Walter King Ltd., Elm House, 10-16 Elm Street, London WC1.

I

I.G.U. meets in Vienna, 147
Improving liquid gas tankers, 306
Institution of Corrosion Technology, 19
Instrumentation Number—
Applying computers to gas board administration, 31
Instrumentation in gas production, 3
Manufacturers' section—
Electronic multiplier—divider, Flexair recorder—controller, 18
Specific gravity and micropressure transmitter, 17
Swiss instruments available, 17
North Sea seismic survey data processed by computer, 34
The instrumentation and control of distribution networks, 10
Utilisation instrumentation, 21
Wobbe control in production and utilisation, 29
Inter-industry QR talks, 211
International Clean Air Congress, 170
I.P.E. lecture will cover North Sea Gas, 363
I.P.R. members will discuss central heating, 263
Irish sea oil and gas surveys, 192
Israeli gas and oil discoveries, 72

J

Joint study on natural gas for power stations, 172

L

Leeds University awarded two grants, 306

M

Map of principal gas transmission mains, 236
Melbourne's gas bill can be halved says BHP chief, 69
Merger plea fails, 190
Midland gas link-up completed, 334
Minister of Labour plans aid for retraining adults in industry, 309
Minister of Power—
Natural gas, 'neither threat nor alternative to coal industry', 190
Questioned about gas tankers, 285
Questioned about capital expenditure of the gas industry, 285
Replies to Greenwich complaints, 189
Moroccan gas strike, 44

N

National Coal Board has oil and gas search powers, 147
Natural gas and power stations, 261
Newly changes to oil, 68
News from the Continent, 37
North Sea—
Arpet reveals North Sea discoveries are clearly commercial, 68
BP complete two development wells, 309
Bryan Donkin prepares for piping natural gas ashore, 361
Continental Oil director: 'North Sea gas boost for steel', 68
Danish strike, 48
Drilling moves to Yarmouth, 361
Gales batter rig, 264
Gas Council-Amoco Group strikes gas again, 263
Licence holders, 260
Minister and joint study on gas for power stations, 189
Minister states North Sea gas must ease balance of payments problem, 18
Minister's plans, 264
Nationalisation threat, 280
New gas well yields over 45 mill. cu.ft., 304
Oil and more North Sea gas, 147
Oil chairman: Immediate issue to agree on fair market price, 284
Price question asked in Commons, 360
Public ownership report on North Sea gas is sought by miners, 44
Q.C. to head 'Sea Gem' inquiry, 40
Shell Deputy Chairman discloses how North Sea gas will come ashore, 262
State electricity wants North Sea gas, 39
Will supply 20% of Britain's gas, 335
'Transocean II' abandoned, 334

O

Old Park Engineering awarded £14,000 contract, 215

P

Parkinson Cowan—
Celebrates 150 years with gas, 70
Manufacturer plans for natural gas, 71
Pottertons open Canvey Island testing centre, 190
Powell Duffryn Heating changes, 336
Press, William, prepares for conversion work ahead, 261
Progress in use of uPVC pipes for gas services, 226
Public Works and Municipal Services Exhibition, 279

Q

Queensland—
Gas industry will be boosted by natural gas, 169
To have gas plant worth £16 mill., 169

R

Radiation expects lower profits, 280
Russia—
Gas output, 212
Gas for France?, 306
Italy and Russia to have world's biggest pipeline?, 173
Will import Iranian gas, 72

S

S.B.G.I. first overseas stand will be at Utrecht, 336
Servicing North Sea rigs, 354
Servotomic—
Announces export division, 191
Forms branch contracts department, 360
Will convert 8,000 Burton homes, 361
Shipping plans for undersea gas pipes, 262
Siberia, new economic district, 69
Smokeless fuel cost rise criticised, 334
Society of Furnace Builders visits Midlands research station, 282
Steel chief calls for new design coke oven at Coke Oven Managers' annual dinner, 192
Steel merger plan, 280

T

Thomas Glover veteran meter is retired, 171
Thorn Electrical Industries Ltd. announces formation of new company, 362
Training levy for gas industry, 172
Trinidad gas, 212, 39

U

U.G.I.—
Forms new foundry division, 261
Announces lower interim dividend, 360
UK-IOM deal on sea oil, gas revenue, 167
Under-Secretary hands over all-gas house, 263
United Kingdom Oil Pipelines Ltd. to construct cross-country pipeline to Uttoxeter, 362
Uruguayan Government decrees dearer gas, 171

W

Welding Institute A.G.M., 212
Western Australia to have reforming plant, 361
Wilson, George, Gas Meters Ltd., 335
Women's Gas Federation told of natural gas qualities, 304
Woodall-Duckham Ltd.—
Expects overseas loss for year, 362
Forms conversion division, 262
Signs £70,000 computer contract, 148

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Animals in the works, 363
Gifts choice for 40 years' service, 364
HQ to move to Potters Bar in 1969, 172
ICI 500 plant, 361
L.p.g. training course for commercial sales and central heating officers, 365
New type gas plant, 169

EAST MIDLANDS

Area Rescue Competition, 19
Chairman comments on North Sea gas, 18
Cleanglow supplies to be increased, 167
Gas plant order, 306
Killingholme landscape, 169
Reorganisation of offices, 211
Reorganisation of staffs, 167
Two-part tariff boosts success, 192
Burton-on-Trent will be first town for conversion, 282

NORTH EASTERN

Appeal to be made to permit erection of large gasholder, 18
Changeover from town gas to natural gas, 19
Chargehand gasfitter presented with British Empire Medal, 263
Chief engineer appointed, 20
Leeds new homes will be heated by natural gas, 306
Showroom changes, 191

NORTH THAMES

Fears on 300-ft. storage holder dispelled, 211
More 'iced earth' tanks, 309
Public Relations Officer presents gold medal to Prince Philip, 211

NORTHERN

Russians visit Regional Production Station, 72

NORTH WESTERN

Computer aids mains forecasts, 340
Control instruments—record number, 167
Reception at National Housing and Town Planning Conference, 215
Reception for housing talks delegates, 40
Survey of consumers started, 191

SCOTTISH

Booster order placed, 282
Chairman explains his Board's special problems, 207
Display area one of the biggest at Buildex, 149
New Dundee gasholder, 339
Provan gasworks engineers equipped with radio receivers for safety, 44
Swedish tanker brings liquid butane to Granton, 190
Woodall-Duckham plant ordered, 147

SOUTHERN

Apprentice top in examinations, 189
Carefree Cooking Guide published, 48
Chief Engineer appointed, 20
Conversion team named, 280
New plant delays half gas fire sales, 149
Prototype vehicles introduced, 46
Store has aluminium cladding, 46
Yard foreman presented with British Empire Medal, 263

SOUTH EASTERN

Conversion plans, 334
'Probably at tail end' of natural gas queue, 363

WALES

Natural gas—main market will be industry says Deputy Chairman, 168
Propane spheres ordered, 215
Struck a light—and gas, 170
Supply extension—by road tanker, 339

WEST MIDLANDS

Award contracts worth £118,854, 263
Award plant contract worth £2½ mill., 334
Conversion team named, 360
First Aid success, 339
Plans for winter loads, 147
Statement on the shortage of last winter, 45

GAS IN INDUSTRY INDEX

A

Acme Industries Ltd., 257
Aegil—
  Heating steel for bending, 256
  Some of the answers, 7, 28, 54, 78, 98, 115, 142, 157, 182, 210
AEI-Birlec Ltd. commissioned to build vertical gas-fired furnace, 156
Alcan installs billet heating furnace, 156
All-gas catering in new head office is their policy, 17
Allen Ygnis boilers, 120
Allen Ygnis fully automatic steam boilers, 58
American new sintering furnace, 183
Annealing and blueing, 18
Autofry 60, 259
Automatic gas burners, 100
Automatic process heat for dip-moulding company, 14
Avoiding an external flue from a gas boiler house, 31

B

Babcock & Wilcox Ltd., receive heating chamber, 122
Bar heating furnace order, 97
Birlec rapid heater for copper wire bars, 212
Boiler breakthrough, 13
Brightside Heating and Engineering Co. Ltd., 121
British ovens cut Dutch baking times, 16
Broadbent, J. D. P., 'Applying gas to air conditioning', 202
Burton, S., 'Gas-fired vacuum furnaces for copper heat treatment', 44

C

Cadet gas-fired boiler makes its bow, 163
Catering for variety in contract spraying, 101
Change of Address, 184
Cleveland Twist Drill Ltd., aided by gas in works, 137
Combustion efficiency in industrial appliances, 234
Cubbage, P. A.—
  Gas-fired vacuum furnaces for copper heat treatment, 44

D

Divisions become Subsidiary companies, 118
Dolphin balanced flue convector heater from Parkinson Cowan, 80
Double-duty boilers, 15
Dravo models used for factory space heating, 255

E

Editorial—
  Better foundry conditions, 151
  Conversion problems, 245
  Cost the only criterion?, 3
  Gas for air conditioning, 201
  Gas for compressed air, 67
  Gas in the foundry, 91
  Ideas into action, 177
  Many a mickel, 227
  Opportunity in steam, 131
  The crisis and after, 23
  Vacuum annealing by gas, 43
Electrodyne valve operators used at Republic Steel Corporation's South Chicago works, 162

F

Firing ferrite cores, 238
Firth-Vickers Director refers to shell moulding, 214
Flamecore unit gains approval, 97
Ford, Eric—
  Air for industry, 68
  Bigger gas share of steam raising load, 132
  Boilers and radiators—basis of gas central heating, 246
  Industrial development centre off to flying start, 178
  Light industrial development uses gas, 228
  Preparing for the future, 110
  Putting the cap on the bottle, 72
  Shell moulding and gas bring new era to foundry, 152
  There's more scope for gas in the foundry, 92
  Wire production needs special equipment, 4
Forder, F. C.—
  Control Equipment for industrial furnaces, 144
Fulton boilers improved range from Twin Industries Agencies Ltd., 158
Furnace conversion, 16

G

Gas at the Hotel and Catering Exhibition, 30
Gas Council—
  Publication devoted to catering, 252
  Issue of new publication for caterers, 214
Gas finds favour for rapid billet heating, 76
Gas-heated spray booth installations, 71
Gas helps to solve the refuse disposal problem, 24
Gas treats roof bars for coal mines, 117
Gilby-Brunton Ltd., fine wire manufacturers, 137
Grillmaster, output a hundred S.P.H.; 9

H

Heating a round-bottom vessel, 38
High Speed Gas helps high speed presses, 164
Honeywell recorder used in ceramic tile industry, 253

I

Ideal-Standard go over to town gas, 188
Infra-red oven boosts productivity, 49
Infra-red oven pamphlet, 50

K

Kayanson Engineers Ltd., 254
Key to progress, 109
Kingston-upon-Thames new gas-fired re-spray plant, 122

L

Livett, A. E.—
  Fifty years of special service to the industry, 10
Lyons Bakery uses gas, 213

M

McKellar Watt Ltd. use gas in steak pie production, 138
Medway 30 balanced flue convector heater, 80
Metal finishing plant for Basingstoke factory, 50
Metalcraft Ltd. uses gas for new factory, 146
Modern heating in 12th century barn, 114
Morgan Crucible's new furnace, 15
Morgan furnaces and natural gas, 214
Morganite Thermal Designs Ltd. develops new automatic burners for tilting furnaces, 136
Multi-gas burners for appliances, 48

N

New Pak-a-way air heater by Package Heater Co. Ltd., 141
New Temgas reverberatory furnace, 75
Northern Gas Board exhibition, 122
Norwest space and process heaters, 258
N.T.G.B. engineers see Stone-Vapor production 238
N.T.G.B. installs Reznor heaters, 260
Nu-Way Heating Plants Ltd., 256
  Offers heating industry automatic gas burners, 140

O

Open-fired, open-placed glost firing—by gas, 102

P

Packaged gas burner range, 118
Paint stoving oven installation, 232
Parkinson Cowan Heating Ltd., (Gas Division)—
  Gas radiant heaters are popular choice, 254
  Heating a hospital, 212
  Installations, 186
Perkins Engines Group have new industrial catering restaurant, 149
Phase I of Beardmore modernisation is completed, 57
Poole Pottery biscuit kiln extended, 141
Portcrete use gas to heat offices, 140
Portsmouth Dockyard modernises with gas, 51
Powell Duffryn Heating Ltd., 250
PowRmatic introduces new packaged power gas burner, 143
Precision carburising of gear-boxes for Triumphs, 9
Proving cross-ignition of long burners, 12
Publications received, 187

R

Radiation Gas Fires Ltd.; overhead heaters chosen to heat new steel works, 251
Ransomes, Sims and Jeffries Ltd., 252
Repeat order, 70 mill. reasons, 18
Reznor Nesbitt—
  Moves premises, 114
  Forced air heaters, 8
  New 4-channel thermostatic control panel, 166

S

Saint, J. C., Gas in the biscuit industry, 33
Scottish diecasting pioneers increase use of gas, 233
Scottish industries use overhead radiant heating, 163
Shipbuilders solve difficult heating problem, 100
Society of Furnace Builders, 49
Spear & Jackson gas-fired stoving used for Sheffield factory, 253
Steamlined reel oven for modern bakery, 97
Sunderland Technical College has new boilers —Demipac by John Thompson Wilson, 141
Swiss rolls and biscuits: Air blast burner progress, 53

T

Thomas, G. W., Gas for bread baking, 159
Thompson, Wilkins, Ltd., 120
Three new air heaters complete Multipass range, 58
Tractor gear parts, 49
Trianco announces new gas-fired boilers, 136
Trojan tries gas and observation cabins, 189

V

Vectair convector, 256

W

Waterbury HEG warm air heater, 187
